Miss Mertle Morrow, who has been teaching school at Alis the past year, returned home last Saturday evening.

"Variety," with Emil Jennings and Lya dePutti, at the Rex theater Friday and Saturday this week. Written and directed by E. A. Dupont.

Mr. and Mrs. J. D. Dickmeier have returned from their holiday trip to the coast. Their son Dietrich who has been attending college at Victoria, returned with them.

The past three days have been ideal growing weather—clear and hot. Grain had begun to show the effects of excessive moisture, but this weather is bringing it right along.

Mr. and Mrs. J. W. Morrow announce the engagement of their daughter Mertle Laura to Dr. R. L. Anderson of Lamont, Alberta. The wedding is to take place on Thursday, July 14th, in the United church of Claresholm.

Mrs. D. L. Gilbert and Mrs. Lester Barr were hostesses at a very pretty shower held at the home of Mrs. Wm. Barr on July 5th, in honor of Miss Mertle Morrow. The tea table was tastefully decorated in a color scheme of mauve, mauve and pink. A sumptuous lunch with five flower girls dressed in pink and mauve gowns, decorated the center of the table. The guests were entertained by games, appropriate for the occasion, and a solo rendered by Mrs. Wm. Barr. The evening program an original and highly amusing reading, "The Model Husband," which everyone greatly enjoyed.

The little cleft was the recipient of many beautiful gifts, and an atmosphere of good will and happiness pervaded the gathering. A delicious lunch was served. Mrs. Geo. Barr assisting the hostesses, and everyone banded in wishing Miss Morrow all future success.

Many in Claresholm district will regret to hear of the death of Mrs. Helen R. Mitchell, wife of John A. Mitchell, formerly proprietor of the Wilton Hotel and at one time an alderman of the town. Mrs. Mitchell died at Bedford, Ohio, while travelling on the train from Tulsa, Okla., to Tulsa, Mo., at which latter town Mrs. Mitchell had recently purchased a summer cottage, where Mrs. Mitchell and her three year old daughter Helen Louise were going to spend the summer. Mrs. Mitchell, who was 45 years of age, was the daughter of the late Judge Charles R. Bronds. She is survived by her husband, daughter, three sisters and one brother George Bronds of Detroit, who for some time lived in Claresholm.

ELKS' CARNIVAL GREAT SUCCESS

The weather sure smiled on the Elks' sports and carnival. Not a drop of rain during the three days and nights, and hot enough to make a big demand for lemonade, ice cream and watermelon.

The festivities opened with the parade on Wednesday afternoon, which was headed up by the High River Elks brass-band. The parade ended at the sports grounds, where horse races, football, baseball and other sports made a full afternoon. The results in the horse racing appear elsewhere in this issue.

The football game came to an untimely end when one of the visiting Union Jack team received a severe injury.

The baseball game between the Calgary Hustlers and Claresholm resulted in a win for Claresholm by 14 to 2, the locals run in 6 in the second inning, the rest of the 14 being mere scattered, and the Hustlers secured their two runs in the 8th inning. It is only fair to say that four of the Hustlers' team were not of their regular lineup.

Thursday's baseball game between High River and Claresholm was a good game. High River was the winner by 5 to 2.

Friday Stavely and Claresholm played a fine game, with lots of excitement in it. Claresholm won, the score being 5-1.

Miss Susie Sharples was chosen carnival queen and was duly crowned, with much pomp and ceremony.

In the drawing for the Chevrolet coach, Eddie McComb of Meadow Creek held the lucky number.

The races and sports drew a big attendance every day. In the evenings the carnival grounds have been thronged with merry-makers. The various booths were well patronized, and the dancing pavilion was exceedingly popular. The Blackbird orchestra furnishing the music. It has indeed been a merry and successful carnival, second to none in the province. The Claresholm Elks have good reason to be proud of the outstanding success of this carnival.

RESULTS OF RACES

The Claresholm agricultural fair having been abandoned for this year, the annual races were held on July 6th and 7th under the auspices of the Claresholm Lodge of Elks in connection with the Elks' Carnival, and were very successful.

T. Morrison of Crossfield was the largest winner, capturing the Claresholm Derby, Merchants' and relay race, and being placed in other events.

Miss Bertha Strangways was Derby Queen and gracefully presented the Derby whip to Miss Toots Davies who rode Fighting Frank, the winner, and handed the Elks' cup to Tom Morrison to be held for one year.

THE WALL OF CHINA

In 214 B.C., the Chinese commenced building the Great Wall, which isolated their country from the rest of the world and helped retard their national progress.

The business man who maintains a wall of "dig-nified reserve" towards the buying public is just as surely retarding his own business growth.

DIAMOND JUBILEE
OF CONFEDERATION

Clareholm duly and well celebrated Canada's Diamond Jubilee of Confederation on Friday last. While the turnout was not a hundred per cent, there was nevertheless a good response to the committee's appeal to the citizens to participate in the parade. The mounted military unit added materially to the parade. The school children's section was excellent, different groups being costumed to represent Canada, the provinces and the Red Cross.

On arrival at the fair grounds the program prepared was carried out, and included patriotic singing and addresses. Mr. Lammie acted as chairman, and led in the singing.

Mayor Ringrose gave an appropriate address of greeting. Gordon Walker, M. L. A., and H. O. Haslam, delivered patriotic addresses of just the right length, which were well received.

The races arranged for the children brought out a large list of entries, and were keenly contested.

Refreshments were served to the children, but an untimely downpour of rain prevented the presentation of the Jubilee medals on this occasion.

The General Committee would like to thank their appreciation and records to Principal Foster and the School Staff for arranging the very excellent children's parade; to the School Board officials who undertook the arduous task of obtaining and serving the refreshments; to the Sports Committee consisting of Mr. Brookes, Avey, Mr. Knight, and Miss Holmes; and to the speakers of Gordon Walker, M. L. A., and Mr. H. O. Haslam.

Special Notice Re Jubilee Medals

The Jubilee Medals will be presented by Mrs. McKinney to the school children on Monday afternoon, July 15th, at 4 p.m., in the assembly hall of the high school. The parents are invited to this ceremony and as there will be a few surplus medals, anyone with children not yet of school age and who will not otherwise be receiving a medal in the family, are invited to bring their children and the surplus medals will be distributed as far as they will go.

Reindeer Herd for Alberta

Raising reindeer for commercial purposes in Canada will be undertaken this year by the Dominion Reindeer Company, with headquarters at Vancouver, which has imported some 5000 head of reindeer from Alaska. This herd will be located on the vast grazing areas between the Athabasca and Great Slave Lakes where the company has secured over three million acres for this purpose.

CALGARY EXHIBITION
AND STAMPEDE

Although the Calgary Exhibition and Stampede has an international reputation for being the most thrilling, instructive and entertaining annual celebration held anywhere, the directors and management are determined that this combined event which is to be held at Calgary, July 11th to 16th, Canada's 100th anniversary year, will surpass all others.

Three new features will add new thrills and greater interest. These include a new stampee contest called steer decorating, the appearance for the first time in Canada of Brahma steers for the steer riding contest, and a novelty stage production, "At the Fair," which will be the closing feature of each evening's program. The Brahma steers are a cross between the sacred cattle of India and the Texas cattle, and are similar to the Texas cattle in build, with very long horns. To say they are wild and hard to ride is putting it mildly.

The wild steer decorating contest is a death defying daredevil

stunt, where the cowboy leaps, barehanded, from the back of a galloping horse to the horns of a wild steer and places a ribbon on the horn against time. No roping. Only his bare hands. The acme of thrills, a feature being introduced for the first time anywhere, where, where cowboy nerve, brain and skill are unexcelled.

The Novelty Review, "At the Fair," which will close each evening's program in front of the grand stand, is also a new idea in exhibition entertainment originated in Calgary, and which has added surprise to a diversified and intensely interesting show.

In addition to the above new features and the magnificent display of the West's best live stock and industrial exhibits, the week's celebration includes the following features which made a new attendance record of 197,000 last year:

The stampee parade, the great opening number five miles long, old timers' reunion, the western morning street display, running races, Indian races, cowboys' and "old timers' ball, Australian National Band, high class vaudeville, fireworks, old time camp including Indians in their teepees, Royal Canadian Mounted Police, buck wagon camp, all surrounding the log headquarters of the old timers. Mounted Police, Hudson's Bay trading post and forestry building. This combined celebration coupled with a visit to Banff, Lake Louise, gems of the Canadian Rockies, provides a wonderful opportunity for an unusual holiday, which cannot be equalled.

Special passenger fares will be in force from Saskatchewan, Alberta, and British Columbia mainline points, and special tourist rates can be obtained from anywhere to Calgary, Banff and Lake Louise. Accommodation for the week, secured by writing Dan F. Whitney, president Alberta Hotel Association, Calgary, and prize lists, and illustrated folder, may be obtained by writing the general offices of the Calgary Exhibition and Stampede, Calgary.

The season for bass fishing in Ontario, with the exceptions of the St. Lawrence and the Ottawa Rivers, has been shortened this year by about a fortnight, opening July 1 and ending November 30, according to information given out by the fourth department of the Canadian Pacific Railway. This action was taken by the Ontario Provincial Government when it was found out that bass had not finished spawning when the season opened June 16 in previous years. The same ruling applies to muskellunge fishing in Ontario this year.

Canada is sending increasing supplies of tobacco to the West of England, according to the Trade Commissioner at Bristol. One organization has built a factory in Ontario, they have their own buyers, and are packing the leaf, Canadian Bury, to suit the English trade. Consumers in England are getting used to Canadian tobacco and with the Empire, preferential duty, which amounts to 48 cents per pound, less than the duty on foreign tobacco, increased quantities of Canadian Bury will find their way to the United Kingdom.

In token of the fact that this year is the Diamond Jubilee of Confederation in Canada, E. W. Beatty, Chairman and President of the Canadian Pacific Railway, has extended a personal invitation to Miss Hortense Cartier, only surviving daughter of Sir George Etienne Cartier, one of the Fathers of Confederation, to take part in the trip across Canada, organized by the University of Montreal under the auspices of the Canadian Pacific, to start in July. Miss Cartier, who is in her 78th year, has accepted, and it is expected that she will meet Sir Horace MacDonald, son of Sir John A. Macdonald, another Confederation Father, who is police magistrate in Winnipeg.
